BIOTHANE

leerburg.com/allbiothaneleashes.php

BioThane is stronger and lighter than leather. Depending on the width, our BioThane leashes have a tensile strength of 375-700 lbs. BioThane is also water resistant and easy to clean. All of our BioThane leashes are made here in Wisconsin by the same Amish family that crafts our leather leashes, collars, harnesses, and more.

BITE SUITS POLICE & SPORT

LEERBURG POLICE BITE SUIT

leerburg.com/leerburg-police-bitesuit.php

We have designed a training suit with features specifically for Police K9 decoys

- Our jacket is longer to allow the decoy to raise their hands and not expose their lower back or belly
- The pants have a padded bib front to provide more protection for stomach and chest bites
- The pant legs are wider than sport bite suits. This allows decoys to take pants off easier without taking off their lightweight hiking boots
- There is more padding across the shoulders and in the arm pit
- Police K9 officers are constantly training new decoys. The last thing a new decoy wants is to get hurt. This suit offers protection that no sport suit has

SEYNAEVE BITE SUITS

leerburg.com/custom-bitesuits.php

- **Custom bite suit made to your exact specifications**
- 5 different suit options to fit your exact training needs
- Maximum protection
- Only the finest raw materials are used to design and manufacture these bite suits
- Specially designed for training on the whole body area

WHO WE ARE

SINCE 1982

Being a small family-owned business, we feel that quality products and information combined with the best customer service in the industry are the most important things we can focus on. The equipment we sell is used by professional dog trainers who are out there in the field training dogs every day. The training material we provide has been produced by those trainers and are based on techniques that we are implementing every day. Whether you are competing in high-level sport work, Police K9 training, or you simply want a well-mannered member of your family, we can provide the resources and equipment to help you achieve your training goals.
