Registration for the Leerburg Forum

1. Go to: <http://www.leerburg.com/forums/ubbthreads.php/ubb/newuser>

2. Read the Board Rules box. It helps to explain why we run things the way we do. You must check the box next to "I agree" in order to register.

Board Rules

Before you can register for the Leerburg® Discussion Forum you need to be aware of the following rule. Several years ago we implemented a policy that requires all users on the Leerburg® Discussion Forum to have their DISPLAYED NAME be their ACTUAL FIRST and LAST NAME. This policy has resulted in a very civil board. People are less inclined to trash other people when they have to display their real name before posting. If you do not have your first and last name listed as your displayed name, you will not be approved to the Leerburg Discussion Forum.

3. Fill in your login name and password. This is how you will gain access to the board.
4. The first email address box is the address that we will send notifications from administration at. This is NOT the email address that people will see when you are on the board.
5. For name, you need to enter in your true first and last name. We do check this out to make sure that it is correct. We will not accept nicknames!
