LEERBURG ONLINE UNIVERSITY

Learn online from experts at your own pace with courses for beginner to advanced trainers.

YOUR PUPPY 8 WEEKS TO 12 MONTHS WITH ED FRAWLEY

This course teaches you how to raise a well-adjusted and confident puppy by focusing on engagement before formal obedience. Learn to build a strong bond, manage your puppy in the home, and shape how it sees the world using motivational games and marker training. We cover early socialization, house management, and preventing bad habits by setting clear boundaries. With the right foundation, obedience becomes easy.

TRAINING YOUR DOG TO COME WHEN CALLED EVERY TIME WITH ED FRAWLEY

SCAN TO ENROLL

A reliable recall is one of the most important skills you can teach—it may even save your dog's life. This course gives you a step-by-step, reward-based system to build clear communication, train through distractions, and generalize recall in any environment. By breaking the process into small, motivating steps, you'll develop a confident dog that comes back without hesitation.

ONLINE COURSE **\$48.99** | 93 VIDEOS, 6+ HOURS

DEALING WITH DOMINANT AND AGGRESSIVE DOGS WITH ED FRAWLEY

SCAN TO ENROLL

Led by Ed Frawley, this course helps students understand, manage, and safely live with dominant and aggressive dogs. Through detailed lectures, it explains causes of aggression and offers practical, realistic solutions. Trainers should know there are no quick fixes, but with the right approach and commitment, many dogs can be safely managed. This course provides proven guidance based on experience, not shortcuts.

ONLINE COURSE **\$89.99** | 200 VIDEOS, 19.5+ HOURS

REMOTE COLLAR MASTER CLASS WITH MICHAEL ELLIS

SCAN TO ENROLL »

Take your training to the next level with world-renowned trainer Michael Ellis in this in-depth online course on remote collar work. Designed for trainers of all types ranging from professional trainers, working dog handlers, and dedicated owners, this course will show you how to use remote collars effectively, ethically, and with clarity.

With 173 detailed videos, Michael Ellis guides you through remote collar theory, proper use of pressure, and advanced applications including behavior modification. You'll also see real-life demos, learn step-by-step methods, and develop the confidence to train with precision, fairness, and long-term success.

ONLINE COURSE **\$75.00** | 173 VIDEOS, 10 HOURS

THE POWER OF PLAYING TUG WITH YOUR DOG WITH MICHAEL ELLIS

SCAN TO ENROLL

Renowned trainer Michael Ellis explains why toy rewards are a powerful part of training and teaches the essential "Rules of Play" for tug: play enthusiastically, release on command, and return the toy. This course covers 10 different tug presentations, how to build drive, avoid equipment bias, and introduce distractions. You'll also learn how to safely play tug to prevent hand biting and how to work with puppies during teething. Michael's step-by-step approach makes tug training fun and effective for both dog and handler.

PRINCIPLES OF DOG TRAINING I WITH MICHAEL ELLIS

SCAN TO ENROLL »

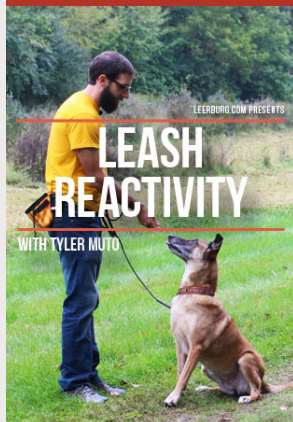

This course is modeled after Michael Ellis's two-week obedience intensive in northern California, it combines lectures, demonstrations, and one-on-one work with students. Even advanced training relies on strong fundamentals, and this course provides the foundation and tools to make you a more effective trainer.

You'll learn Michael's approach to obedience and relationship building through classical and operant conditioning, reward systems, and verbal markers. Explore how to build behavior with luring, leash and spatial pressure, and shaping techniques. Gain insight into introducing aversives thoughtfully, creating motivation through productive play, and developing reliable recall and focused heeling for lasting success.

LEASH REACTIVITY WITH TYLER MUTO

SCAN TO
ENROLL »

If walks with your dog are stressful because of lunging, barking, and pulling, this course is for you. This course was designed to help trainers tackle leash reactivity, one of the most common and frustrating challenges dog owners face, and to give you clear steps toward real improvement. The course takes a systematic approach, starting with foundation exercises, moving through theory, and adding practical tools step by step. By the end, you'll have the skills, confidence, and understanding needed to manage reactivity effectively and achieve lasting, reliable results with your dog.

LOOSE LEASH WALKING WITH TYLER MUTO

SCAN TO
ENROLL »

Does your dog pull, lunge, or drag you on walks? The Loose Leash Walking course with Tyler Muto gives a clear, step-by-step system to teach your dog to walk calmly at your side. Across 5 modules, you'll build a reward-based foundation, condition your dog to the leash, improve your handling skills, and use the right tools effectively. Proofing exercises strengthen focus around distractions. By the end, you'll have the confidence to enjoy relaxed, cooperative walks with your dog. This course is perfect for everyday dog owners seeking practical, lasting results.

RAISING YOUR PUPPY WITH MICHAEL ELLIS

SCAN TO
ENROLL »

Everything starts with how we raise our puppies. In this course, Michael Ellis guides you through selecting a puppy, bringing them home, and setting up management and socialization routines to build confidence and prevent behavioral issues. You'll learn early engagement techniques, restrained recall, and how to develop essential drives through play and training. Michael also explains how to apply learning theory and marker training to shape behaviors effectively. Michael's training methods will teach you how to raise a motivated and well-adjusted dog for any training discipline.
