"YOUR VIDEO ON BREAKING UP DOG FIGHTS SAVED MY LIFE"

Every day we get dog training questions in the "ASK CINDY" section of Leerburg.

Recently, we got a "thank you" email from a lady whose life was saved as a result of the free video Ed put up 8 years ago on HOW TO BREAK UP A DOG FIGHT. We will share that email here:

"Ed, A long time ago I watched the video you produced on how to break up a dog fight. I educated myself and my family members on these techniques because we keep powerful dogs in our home.

On November 3rd, the troubled 82lb American Bully we took in to help from the local rescue here tried to kill my daughter's kitten. I used this method (lifting his back legs and swinging him away from my body) to remove him from the situation..."

How we raise puppies today is much different than how we have done it in the past. Today, we focus our interactions with our puppy on building engagement and a relationship that encourages the puppy's love of learning. We want to build a strong foundation of trust and understanding before we try to teach obedience behaviors. This video covers how to manage a puppy in and around the home.

LEERBURG AMISH LEATHER

MADE IN WISCONSIN

COLLARS, LEASHES & HARNESSSES

Over the past 25 years, we here at Leerburg have built a reputation for selling the finest leather dog leashes, the finest leather harnesses, and the finest leather dog collars in the world.

Our Amish leather products are made with American-made leather that is stained using natural oils and dyes. We recommend that you use discretion when using this product with lighter colored clothing.

We use every part of the hide. The leashes are made out of the thicker part near the top of the back while the pull tabs and smaller leather collars come off the thinner belly leather.

All of the Leerburg hides are cut by hand.
